ABOUT SPUD WEEK

In 2001, SPUD Week was created by students at Norman North to raise money for a classmate with cancer. 22 years later, the student-led organization has raised over \$2,000,000 for Norman families and organizations in need.

Norman North's student body comes together to work with the committee to make

SPUD Week happen! The SPUD family creates a sense of selflessness that spreads like wildfire among our community. Known throughout the state, SPUD Week is unlike any other high school philanthropy, and we would love for you to be a part of it!
